

## Fashionable Camera Pouches with Minimal Bulk and Scratch Protection

M-ROCK Camera Bags Corp is pleased to introduce the [Milan 661](#) and [Paris 662](#) compact electronic pouches.

The Milan 661 holds point n'shoot cameras, cell phones, MP3 players and other compact electronics up to 1 inch deep and the Paris 662 offers a little extra room for slightly larger items. Both pouches provide stream-line and scratch free storage of your electronic item and are perfect for carrying in a purse or shirt pocket, with a fashionable appearance for a night out on the town.

The Milan 661 and Paris 662 come in glittery gold, silver or plain black and include soft scratch free lining, draw string and lock for secure closure.

The m.s.r.p. is \$15.00 for the Milan 661 and \$16.00 for the Paris 662. Both are available at <http://www.m-rock.com> and shortly at photographic retailers across the country.
